Make a Lasting Contribution

Include a Gift to Friends for Good in your Will

Friends for Good has a long-term mission to free people from loneliness. We need the support of generous everyday Australians to continue our important work conducting research, providing services and working to break down the stigma of loneliness. Leaving a Gift, large or small, to Friends for Good will ensure that we can continue to meet the demand for our services, like FriendLine, which provide support to people experiencing loneliness every day. If you have ever experienced the ache of loneliness, or have seen the suffering in others, we encourage you to consider making a lasting contribution to our cause. Make a lasting contribution, make your legacy live on, let's together create freedom from loneliness for future generations.

How do I do it?

Step 1: Consider the friends, family and charities you would like to identify in your Will.

Step 2: Decide on the type of Gift you would like to give, there are a few options:

- Residual Gift (leave a Gift of the assets that are left after providing for friends, family, debtors etc.)
- Percentage of Estate
- Fixed amount

Step 3: Speak to a solicitor to make or change your Will. In order to include a Gift for Friends for Good in your Will, you will need to give your solicitor our ABN: **45 390 315 758**

What if I can't leave very much?

Every Gift counts, just \$5 pays for a call on FriendLine for someone experiencing loneliness. We appreciate all Gifts of any size.

What if I change my mind or my circumstances change?

You can change or update your Will at any point, if things change you can remove the Gift or change the amount.
